SymfonyWorld
ONLINE SUMMER EDITION
JUNE 16-17 2022

Preamble

Hi, I'm Sherri Wheeler…

PHP developer for 16+ years & owner of Avinus Web Services.

Twitter: @SyntaxSeed

Web: sherriw.com

Tech Blog: blog.syntaxseed.com

The Plan

Build A

Symfony
Console
App

Send API
Commands
With

GitHub

Phue

To The

Hue Bridge

To Control

These
Bulbs!

Phue Library

sqmk/Phue

neoteknic/Phue

syntaxseed/phue

Enough Slides

Let's build an app…

Note For Photosensitive Viewers: This presentation
contains flashing/blinking lights.
